

Boost+ are our portable charging and synchronisation units. Using Cambrionix technology Boost+ Charge & Sync can connect up to 16 mobile devices without having to pack them away, making it great for quick power pick-me-ups.

You can even plug in lots of different devices at once – intelligent charging will ensure every device gets just the right amount of power it needs. Any device with a USB charging cable is compatible.

Wherever you are, just plug it into the mains and you're ready to go. It's also an ideal solution to keeping your tablets synchronised and up to date if you already have one of our charging trolleys.

Reasons to Love LapCabby

No matter the device – We have a product to sync, store and transport them. Laptops, Chromebooks, Tablets, BYOD, 1:1, 2:1, 3:1 - we have you covered!

What you see is what you get – Our feature rich products come fully assembled and quite literally ready to roll...

Built from scratch – All our components are designed and manufactured in-house. We don't do off the shelf!

Lifetime warranty – On every LapCabby purchase - we know our design and build quality is unsurpassed!

Rapid delivery times – Our global network of partners spans 44 countries and all major continents - meaning no matter where you are we can get your LapCabby to you. Fast.

Friendly service – Just because we operate across the globe doesn't mean we have compromised our customer centric ethos.

LapCabby Mini 20V

1.

Charges and synchronises up to 16 USB devices using Cambrix technology. Intelligent charging recognises the make and model of each device and provides the exact rate of power according to the device manufacturers instructions, never over/under charges. Detects when device is fully charged and ceases to provide power.

2.

IEC power cable plugs into the mains and is designed to snap out if pulled away from the wall, preventing damage to the unit or any nasty trips.

3.

Boost+ Charge & Sync allows simultaneous synchronisation of all devices using Apple Configurator, iTunes or any other 3rd party platform, saving you time when deploying apps, media and content. Easy to install firmware updates ensure your Boost+ Charge & Sync can charge and sync all the latest tablets, making it future proof.

4.

Connect two Boost+ together to charge and synchronise up to 32 devices at once.

5.

Designed specifically with portability in mind, this light weight unit is small enough to fit on to desktops, cupboards and only needs on ICE powered to charge & sync every device.

	Code	Number of Devices Can Hold	Unit Dimensions
Boost+ Charge & Sync	BOOST16CHSYNC	16	W285 x D143 x H90mm 11.2" x 5.6" x 3.5"

About LapCabby

Clever technology solutions that tick all the boxes

At LapCabby we understand that when it comes to storing and charging your devices you want something that looks good, won't let you down and above all is safe. We've been established over 20 years and in that time have worked tirelessly to develop products that meet the complex needs of a multitude of industries.

Our products may have changed over the years, the team has certainly got bigger and our company has gone from strength to strength, but our passion remains the same. Our commitment to customer satisfaction and high-quality products has earned us one of the best reputations in the industry. We pride ourselves on outstanding customer service and being available to our trusted partners all over the world whenever they need us. As a family run business, we rely on our team of great people to do this.

As technology has evolved, so has our product range. From laptops and chromebooks to tablets and mini devices, we've developed unique solutions to meet the specific needs of your devices. We recognise that technology is ever changing and therefore build products that will serve you well in to the future.
